

OFFICE OF THE VICE PROVOST FOR ACADEMIC AFFAIRS

**GENERAL EDUCATION LANGUAGE REQUIREMENT POLICY  
FOR STUDENTS WITH DOCUMENTED LEARNING  
OR OTHER COGNITIVE DISABILITIES**

**(\*Consideration for accommodation requires certification by the  
Office of Disability Services)**

---

A small number of UB students have **documented** learning or other cognitive disabilities that affect foreign language acquisition. **These students may be accommodated with an alternative series of courses if, and only if, they have been certified by the Director of Disability Services as requiring this accommodation.** With his prior petition approval, one of the approved alternative series of courses listed here will be accepted as meeting the foreign language skills requirement (two course sequence) in General Education. These sequences meet the intention of the SUNY General Education foreign language requirement. The courses are taught in English.

Note: The courses must be taken in the sequence listed below. The courses may not be “mixed and matched.”
